

St. Eugene Middle School Musical

Fiddler on the Roof

Sponsorship and Program Advertising

The St. Eugene Musical "Fiddler on the Roof" is March 19-21. Many talented people are working hard to bring this musical to our school. Please consider becoming a sponsor or placing a personal/business ad in this year's program. Your contributions, both great and small, will help defray the cost associated with this marvelous production. In addition, the ads you place can give you an opportunity to send a personal message to the cast/crew of this year's production.

It is also a great way to advertise your company or promote your personal business to an audience expected to exceed **700** people.

Attached, you will find a form for submitting your ads and/or sponsorships and page layout form and a list of this year's cast and crew.

Advertising Deadline is Friday, March 5th
