St. Eugene School to Offer Preschool Program

Saint Eugene School is launching a new preschool program that will begin in September, 2010. We are excited to be able to provide families with this opportunity.

Like most preschools in the area, our program will offer a hands on, activity based curriculum that incorporates play and themes into children's learning. The children will have a chance to explore and have fun in a warm, caring environment. At the same time, they will be learning and growing under the guidance of experienced teachers.

In addition, St. Eugene's preschool will be able to offer additional benefits because it is part of the larger school. Students will be able to have large motor activities in our gym and will make regular visits to our school library. Music class and art activities will also be part of the weekly schedule. Our much-loved Buddy Program that matches older students with kindergartners will be extended to include the preschool.

Because we are part of a Catholic school, students will benefit from a faith-based environment that emphasizes God's love for each child. Families do not need to be members of St. Eugene Church, though, and enrollment is open to both Catholics and non-Catholics.

We recognize that some families need care for their children beyond 11:00 am, so we plan to offer an option of extended care, if there will be at least four students needing care each day.

Schedule: Our preschool program will run three days a week (MWF), from 8:30 to 11:00 in the morning. The preschool calendar will generally follow the school calendar, with the same vacations.

Cost: Preschool fees will be \$1250 per student per year. This can be paid in full at the beginning of the year, or can be broken up into monthly payments.

Enrollment: Enrollment is limited to children who will have turned 3 by September 1. Class size will be between 10 and 15, with both a teacher and an aide in the classroom.
