

Dear Friends,
When Jesus was asked what the greatest commandment was, he answered clearly: "You shall love the Lord your God with all your heart, with all your soul, and with all your mind." Jesus wasn't one to do things halfway.

At St. Eugene School, we aren't satisfied with doing things halfway either. We push ourselves to provide a complete education (and to find the resources to support it). We challenge students to work hard, study attentively, serve generously, and follow Christ faithfully. We invite them to give it their all, as a response to the One who gave his all for us.

Every gift to the Annual Fund helps us lead these students toward fully loving God and fully using their God-given potential. Please consider making a contribution, and thank you for supporting the mission of St. Eugene School.

In faith,
