

Dear Friends,

How blessed we are to have such a strong Catholic school which is an integral part of St. Eugene Parish. When choosing a Catholic school for our daughter, my husband and I wanted an environment that was academically challenging, yet nurturing. Mostly, we desired a school that would allow our daughter's spirituality to be fed by scripture, prayer and worship. St. Eugene School was our clear choice because it possesses all of these qualities.

I am in the unique position of now being both a parent and principal at St. Eugene. In my new role as principal I am able to more fully witness the commitment of our teachers, staff, volunteers and parents. We have an incredible school. Perhaps we need to boast about it more, but we are busy quietly going about the process of educating and forming students. We humbly serve one another in order to be like Jesus, to "Teach as Jesus Did."

It is our hope and intent to ensure that St. Eugene School has the means to continue its mission into the future. Therefore, we invite our many supporters, current families, alumni, parishioners and friends to contribute to our Annual Fund. Each year we raise money through our Annual Fund to help offset the rising cost of educating each child. The generosity of our parish and the sacrifices of our school families cover most of the cost, but they do not cover it completely. Your Annual Fund donations go directly to our school.

As you consider a gift to St. Eugene School Annual Appeal, know that your gift enhances and enriches the life of the Church. We appreciate your support!

In Faith,

## A History of Giving

In the last 6 years, the Annual Fund has raised more than \$500,000. This has helped St. Eugene School to:

- Expand the health curriculum to include 2nd-5th grade
- Purchase new Religion, Math, Science and Spanish textbooks
- Provide financial aid to many more families
- Increase our professional development budget by 90%
- Increase our technology budget by 220%
- Purchase upgraded software programs
- Purchase new computers for each classroom
- Purchase a new laser printer for the computer lab

*The success of our students can clearly be attributed to providing them with great resources and challenging them to use these resources well. However, none of this would be possible without the financial resources to support the acquisition of new materials. The Annual Fund has been key to our ability to provide our students with an exemplary education.*

*The teachers and students of St. Eugene School are truly grateful to each and every person who contributes to the Annual Fund. Thanks for providing the resources to help students excel and to make learning meaningful and fun.*

## Our Mission

Within a Catholic community, St. Eugene School helps children grow in faith, character and service, builds a foundation of academic excellence and promotes the development of the whole child.

Last year, we increased the number of donors by 39% to bring us to the largest number of donors we've ever had—225!! This year, our goal is to increase the number of donors to 275. Contributions can be made in any amount and can be matched by many employers. Be sure to check the accompanying list of companies to see if your employer participates. By making a contribution to the Annual Fund, you are showing your support and understanding of the importance of a great, solid, Catholic education.

**St. Eugene School is an excellent school  
because of your generosity.**

## Why Give?

St. Eugene School provides an excellent faith based education. In order to do this, we rely on four main income sources:

- Tuition
- Parish Support
- Annual Fund
- Fundraising

Currently, it costs about \$6070 to educate one child at St. Eugene. Roughly 49% comes from tuition and another 35% comes from parish support. The Annual Fund, along with fundraising, comes in at this point to cover the remaining 16%, or \$971 (per child). Without this, tuition costs would rise dramatically, making a St. Eugene School education impossible for many families.

Catholic values, along with a strong curriculum, allow St. Eugene School to educate the whole child, prepare students for life and instill moral, social and spiritual growth in each student.
