### **What is the Scrip Rewards Program?**

When you purchase scrip, you are purchasing negotiable gift certificates that are used just like cash. Scrip is issued by the national and local retailers where you already shop. These merchants want to support non-profit organizations, and in return ask you to support them by shopping with scrip at their stores. St. Eugene School Families and Parishioners can use scrip to purchase everyday items like food, clothing, and other essentials, and with every purchase you earn revenue for yourself and St. Eugene School.

### **How does Scrip reduce my tuition cost?**

The Great Lakes Scrip center acts on behalf of St. Eugene School to purchase large amounts of scrip from grocery stores, department stores, and other retailers. Because the scrip is purchased with cash up front, the participating retailers offer a substantial discount. Our school then buys the scrip from Great Lakes Scrip Center at a discount, and re-sells the certificates to you for full face value. The bulk of the discount (from two to twenty percent depending upon the retailer) is retained by our school families, with 50% going toward your choice of the following: reducing your tuition, funding your family fund, donating to the Annual Fund appeal or reducing the cost of your 8<sup>th</sup> grade D.C. trip/8<sup>th</sup> grade graduation. The other 40% goes to the school for budget support.

### **How will the Scrip Rewards Program work at St. Eugene School?**

At the end of August your Parent Packet contained an envelope with a Scrip Rewards order form. Additional order forms are available in the office or on this website. ***You may also order directly online!*** Simply go to **[www.shopwithscrip.com](http://www.shopwithscrip.com)** and sign up for online ordering. See the "How do I order online" section on this website for step-by-step instructions. You will need to print your order confirmation page and send it, with a check, to the office by 9:00am Monday morning. The Scrip cards will be available on Friday of that week. They will be sent home with your child or they may be picked up in the office—just check the appropriate box on your envelope. The list of retailers on the order form is just a

small percentage of those available to order. The complete retailer list can also be found at [www.glscrip.com](http://www.glscrip.com).

### **Why can't I pay for Scrip with a credit card?**

Credit card fees are a great deal for the bank, but a bad deal for our school. On average, 40% of our profit would disappear with credit card transactions. Credit cards companies would charge our school *at least 2% of each* transaction. Our objective is to make your money go as far as it possibly can and that means avoiding those fees. Our retailers are partners in fundraising with our school as well. Essentially, they give us money in exchange for shopping with their gift cards. Gift cards help the retailers avoid credit card fees - let's help the retailers who are helping us by using gift cards.

### **What is Prestopay ?**

PrestoPay™ is NOT a credit card based system - it's better. PrestoPay™ uses the safe, reliable NACHA electronic fund transfer system. Simply enter your checking account information one time in a secure environment. After the account is verified (usually within 72 hours), you can choose to have your scrip payments electronically deducted from your checking account when you order. The system is safe, secure and convenient.

To fully understand the powerful features of PrestoPay™, go to the link [www.glscrip.com/startaprogram/softwareoptions.aspx](http://www.glscrip.com/startaprogram/softwareoptions.aspx) scroll to the bottom of the page and view the brief video demonstration. Then log on to ShopWithScrip.com to register for PrestoPay™.
